"Andy Gibb Memorial"

-Important announcement

This communication follows a period of brief silence that has preoccupied all the loyal and sincere Fans of the beloved Andy GIBB.

Many Fans feared that the project aimed at creating a permanent work dedicated in honor of our close friend, dearly-loved and never forgotten Andy had turned into a soap bubble ...

Well, as we wrote in previous communications, the strong, sincere and clean desire is able to make even the most difficult of missions possible.

As many of you remember, especially all the Administrators of the most important Andy Gibb and Bee Gees Groups that have signed, sixteen months ago I personally launched a petition to the City of Miami Beach, Andy's adoptive city, asking to celebrate Andy GIBB by allowing the naming of a street and the affixing of a monument to be enjoyed by Fans from all over the world.

Naturally it is an ambitious and difficult project that has also faced the obstacles coming from those who, instead of rejoicing, have tried to "contaminate" the beauty and authenticity of this "project of love", as I call it, by insinuations and suspicions and even writing trivial nonsense.

But Andy's talent, voice, generosity and smile will always win!

wish to remain anonymous, will bear all the expenses to realize the marvelous work dedicated to this Artist who has left an eternal imprint in the heart of the people.

With great pride I also announce that the work will be realized by a famous Italian sculptor who has literally fallen in love with the life and music of Andy GIBB.

Our mission is to create a marvelous work with the greatest respect to quality and the realization of Andy's image, that all fans will cherish and be able to visit for many, many years to come.

We consider this announcement the wonderful "Christmas present" for all the countless Andy GIBB Fans and we at Friends of Andy Gibb International would like to thank all those who immediately gave support, confidence and appreciation.

Once the permanent work is finished, we will have the honor and the pleasure of communicating the place where it will be placed.

A heartfelt thanks, also in the name of all the Andy Fans, to anonymous donors who, driven only by the deep desire to celebrate the infinite talent of Andy GIBB, have allowed all this.

Sincerely,

Deborah Cristina International Coordinator
